The Committee on Commerce (Lynn) recommended the following:

**Senate Amendment (with title amendment)**

Between lines 63 and 64  
insert:

Section 2. (1) Each sale of bottled water is subject to an environmental surcharge in the amount of 6 percent of the sales price of each item, article, or group of items of or containing bottled water when sold at retail in this state.

(2) All moneys collected from the imposition of the surcharge on bottled water shall be used exclusively to fund statewide projects relating to environmental cleanup or restoration.

413848

14 ===== T I T L E A M E N D M E N T =====

15 And the title is amended as follows:

16       Delete lines 2 - 4

17 and insert:

18       An act relating to an environmental surcharge on  
19       bottled water; amending s. 212.08, F.S.; deleting an  
20       exemption for sales of drinking water in containers;  
21       establishing a surcharge for the sale of bottled water  
22       in this state; requiring that moneys collected from  
23       the surcharge be used for specified purposes;
