1 Representative Braynon offered the following:

2  
3 **Amendment**

4 Remove lines 18-24 and insert:

5 Whereby federal deficit spending allows states with  
6 balanced budget requirements to avoid budget cuts, and  
7 whereby federal spending has enabled many individuals and  
8 families to keep their homes, health, jobs, and  
9 communities intact during periods of economic hardship and  
10 recession, should the United States Constitution be  
11 amended to require a balanced federal budget?
