House

---

The Committee on Transportation (Baker) recommended the following:

**Senate Amendment**

Delete line 111  
and insert:  
jurisdictions. However, this section does not prohibit a development of regional impact from directing its proportionate share under subparagraphs (12) (a)1. and 2. to fund a regionally significant mobility improvement as identified in the metropolitan planning organization's long-range plan or the local government's concurrency management plan. Any dispute between jurisdictions shall be

370262

13           Delete line 128  
14   and insert:  
15   The local government shall designate within 180 days after the  
16   receipt of a request the transportation
