**I. Summary:**

The bill requires the voter information card prescribed in statute and furnished by the supervisor of elections to include the address of the polling place. It provides that if an elector's polling place address changes, the supervisor must send the elector a new voter information card. The bill also specifies that the supervisor must provide a voter information card meeting the requirements of this act for any elector who, on or after September 1, 2010, registers to vote, requests a replacement card, or changes their name, address, or party affiliation.

This bill substantially amends section 97.071, Florida Statutes.

**II. Present Situation:**

Currently, every supervisor of elections must furnish a voter information card to every registered voter in the supervisor's county. The card must contain the following information:

- Voter's registration number;
- Date of registration;
- Full name;

- Party affiliation;
- Date of birth;
- Address of legal residence;
- Precinct number;
- Supervisor's name and contact information; and
- Any other information deemed necessary by the supervisor.<sup>1</sup>

Replacement cards are provided free of charge upon verification of the voter's registration, if the voter provides a signed written request for a replacement card.<sup>2</sup> The uniform statewide voter registration application may also be used to request a replacement card.<sup>3</sup> New cards are automatically issued when a voter's name, address, or party affiliation changes.<sup>4</sup>

A survey in 2009<sup>5</sup> indicated that 53 counties include the polling place address on the voter information card. The following eight counties did not include the polling place address on the voter information card: Holmes, Jefferson, Madison, Orange, Osceola, Taylor, Volusia, and Wakulla. No response was received from six counties.<sup>6</sup>

### III. Effect of Proposed Changes:

The bill requires the voter information card to include an elector's polling place address. It also provides that when an elector's polling place address changes, the supervisor must send a new card to the elector. The bill also specifies that the supervisor must provide a voter information card meeting the requirements of this act for any elector who, on or after September 1, 2010, registers to vote, requests a replacement card, or changes their name, address, or party affiliation.

This bill shall take effect July 1, 2010.

**V. Fiscal Impact Statement:****A. Tax/Fee Issues:**

None.

**B. Private Sector Impact:**

None.

**C. Government Sector Impact:**

As many as 14 counties may be required to issue new voter information cards reflecting the polling place address. While it varies from county to county, the average county cost to print and mail one card is roughly 52 cents. However, for electors who are registered to vote on July 1, 2010, the bill would allow the supervisor until 30 days before the next supervisor-administered election in which an elector is eligible to vote to comply with the polling place address requirement.

**VI. Technical Deficiencies:**

None.

**VII. Related Issues:**

None.

**VIII. Additional Information:****A. Committee Substitute – Statement of Substantial Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

**CS by Ethics and Elections Committee on April 12, 2010.**
