LEGISLATIVE ACTION

Senate	.	House
Comm: RCS	.	
03/18/2010	.	
	.	
	.	
	.	

The Committee on Health Regulation (Gardiner) recommended the following:

1 **Senate Amendment to Amendment (439332) (with title**
2 **amendment)**

3
4 Delete lines 404 - 407

5 and insert:

6 the patient's home at least once every 60 days, unless the home
7 health agency providing the home health aide services is not
8 Medicare or Medicaid certified and does not provide skilled
9 care, either directly or through contracts. The registered nurse
10 shall ensure that the aide is properly caring for the patient
11 and each supervisory visit must occur while the home health aide

12 is providing patient care. In addition to the requirements in
13 this subsection, a home health agency shall arrange for
14 additional supervisory visits by a registered nurse to the home
15 of a patient receiving home health aide services in accordance
16 with the patient's direction, approval, and agreement to pay the
17 charge for the visits.
