30 Statutes. The license may be used only for special events.

31 Section 2. Alcoholic beverages may be sold by the licensee
32 for consumption within the building and on the grounds of the
33 museum. The license issued pursuant to this act does not permit
34 the sale of alcoholic beverages in sealed containers for
35 consumption outside the building and its grounds. This act does
36 not prevent a purchaser of such alcoholic beverages from
37 removing an opened, partially consumed container of alcoholic
38 beverages from the premises of the museum.

39 Section 3. The museum may transfer the license from time to
40 time to qualified applicants who are either authorized by or
41 under contract with the museum to provide food services at the
42 museum. Upon termination of a transferee's authorization or
43 contract, the license automatically reverts by operation of law
44 to the museum.

45 Section 4. This act shall take effect upon becoming a law.
