I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

The bill amends section 320.02, F.S., to require motor vehicle applications and renewals to include a \$1 check-off to "Prevent Child Sexual Abuse." The money is paid to Lauren's Kids, Inc., a non-profit 501(c)(3) organization, for the prevention of childhood sexual abuse. DHSMV has provided notice that Lauren's Kids, Inc., has complied with s. 322.081, F.S., regarding requests to establish a voluntary check-off, by submitting its letter of request, \$10,000 application fee, and approved short- and long-term marketing plans.

About Drivers' License Check-offs

Section 322.081, F.S., provides the procedures an organization must follow prior to seeking legislative authorization to request the creation of a new voluntary contribution fee and establish a corresponding voluntary check-off on a driver's license application. The check-off allows a person applying for or renewing a Florida driver's license to voluntarily contribute to one or more of the authorized organizations during the driver's license transaction. Before the organization is eligible, it must submit the following to the DHSMV at least 90 days before the convening of the regular session of the Legislature:

- A request for the particular voluntary contribution being sought, describing it in general terms.
- An application fee of up to \$10,000 to defray the DHSMV's costs for reviewing the application and developing the check-off, if authorized. State funds may not be used to pay the application fee.
- A short and long-term marketing strategy and a financial analysis outlining the anticipated revenues and the planned expenditures of the revenues to be derived from the voluntary contributions.

The DHSMV must discontinue the check-off if less than \$25,000 has been contributed by the end of the fifth year, or if less than \$25,000 is contributed during any subsequent 5-year period.¹

Pursuant to s. 322.08(7), F.S., the driver's license application and renewal forms currently include the following seven voluntary contribution check-offs. (The eighth, for Prevent Blindness Florida, is authorized

About Motor Vehicle Registration Check-offs

During the 1998 Session, the Legislature created s. 320.023, F.S., which outlines the procedures which an organization must follow prior to seeking Legislative authorization to request the creation of a new voluntary contribution fee and establish a corresponding voluntary check-off on a motor vehicle registration application. The check-off allows a registered owner or registrant of a motor vehicle to voluntarily contribute to one or more of the authorized organizations during a motor vehicle registration transaction. Before the organization is eligible, it must submit the following requirements to DHSMV at least 90 days before the convening of the Regular Session of the Legislature:

- A request for the particular voluntary contribution being sought, describing it in general terms.
- An application fee of up to \$10,000 to defray DHSMV's costs for reviewing the application and developing the check-off, if authorized. State funds may not be used to pay the application fee.
- A short and long-term marketing strategy and a financial analysis outlining the anticipated revenues and the planned expenditures of the revenues to be derived from the voluntary contributions.

DHSMV must discontinue the check-off if less than \$25,000 has been contributed by the end of the fifth year, or if less than \$25,000 is contributed during any subsequent five-year period.

Section 320.02, F.S., specifies the language that must appear on the State of Florida vehicle's registration and renewal application forms. Included in s. 320.02, F.S., are options for voluntary contributions to the following corporations, trust funds, and organizations as shown in the chart below. The chart includes three additional voluntary contributions relating to registrations authorized in other sections of law.³

Lastly, s. 328.72(16), F.S., requires the DHSMV to offer for sale with vessel registrations a marine turtle sticker for \$5 with proceeds deposited into the Marine Resource Conservation Trust Fund to be used for marine turtle protection, research, and recovery efforts.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.
