

By Senator Bennett

21-01404-10

20102658

1 A bill to be entitled

2 An act relating to energy efficiency; requiring that
3 the Department of Management Services consider the
4 energy efficiency of all materials used in the
5 construction, alteration, repair, or rebuilding of a
6 building or facility owned or operated by a state
7 agency; requiring that the department lease a building
8 or facility that has high-efficiency lighting, when
9 feasible; requiring that the department adopt rules
10 requiring that all buildings and facilities owned by
11 state agencies use high-efficiency lamps when
12 replacing an existing lamp or installing a new lamp;
13 providing an effective date.

14
15 Be It Enacted by the Legislature of the State of Florida:

16
17 Section 1. (1) The Department of Management Services shall
18 consider the energy efficiency of all materials used in the
19 construction, alteration, repair, or rebuilding of a building or
20 facility owned or operated by a state agency. Whenever feasible,
21 the department shall lease a building or facility that has high-
22 efficiency lighting.

23 (2) The department shall adopt rules requiring that all
24 buildings and facilities owned by state agencies use high-
25 efficiency lamps when replacing an existing lamp or installing a
26 new lamp.

27 Section 2. This act shall take effect July 1, 2010.
