IMMEDIATELY FOLLOWING SPECIFIC APPROPRIATION 2789, INSERT:

From the funds in Specific Appropriation 2789, the Joint Legislative Auditing Committee shall contract for the development of a policy paper with a independent research entity that has the resources and skills to identify best practices in the delivery of prison operations, both private and public. In developing the policy paper, the selected contractor shall:

- (1) analyze prison management experiences in other states on economic, legal and practical grounds;
- (2) assemble and summarize the studies and best practices in corrections management, both private and public;
- (3) discuss the differences among the approaches to prison management and between private and public prison management;
- (4) analyze other benefits besides cost considerations in prison contracting;
- (5) identify ways Florida can benefit from cost savings and best practices by adopting best prison management methods for use in public and private prisons;
- (6) provide policy recommendations on ways Florida can benefit from cost

savings and best practices in prison operations; and,
(7) identify the types of inmate bed, composition of inmate population,
and facility size best operated by the public and private sector.

The policy paper shall be submitted to the Speaker of the House of
Representatives and the President of the Senate no later than February
28, 2011.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
