The Committee on General Government Appropriations (Baker) recommended the following:

Senate Amendment

Delete lines 108 - 111
and insert:

(5) Subsections (2) and (4) do not apply to tomatoes sold by the grower on the premises where the tomatoes are grown, at a local farmers market, at a U-pick operation or at a roadside stand provided the quantity of tomatoes sold does not exceed two 25-pound boxes per customer per day.
