29 Insurance Assistance Fund. This fund shall be used to make no-
30 interest loans to assist low-income and moderate-income families
31 who own homestead property in paying their homeowners' insurance
32 premiums. These loans shall be made on a first-come, first-to-
33 qualify basis. Seventy-five percent of the revenue in the fund
34 in each county shall be used to provide loan assistance to low-
35 income families and 25 percent of the revenue in the fund shall
36 be used to provide loan assistance to moderate-income families.
37 The maximum amount of any loan that a low-income family or
38 moderate-income family may receive from the fund is \$2,000 per
39 year, and a check from the fund must be made payable to the
40 homeowner's insurance company. When a homeowner who has received
41 a loan from the fund sells or refinances his or her homestead
42 property, that loan must be repaid from the proceeds of the sale
43 or refinancing. Repayment of a loan made from the fund may be
44 collected by the method provided for in ss. 197.3632 and
45 197.3635, Florida Statutes, for non-ad valorem assessments, and
46 may also be collected by any alternative method that is
47 authorized by law. Any proceeds of repayment must be deposited
48 into the Low and Moderate Income Insurance Assistance Fund. As
49 used in this section, "low-income family" means a family whose
50 income does not exceed 80 percent of the median income for the
51 area and "moderate-income family" means a family whose income is
52 in excess of 80 percent but less than 140 percent of the median
53 income for the area.

54 (2) The levy of the discretionary surtax and the creation
55 of a Low and Moderate Income Insurance Assistance Fund shall be
56 by an ordinance that sets forth the policies and procedures of

57 the assistance program. The discretionary surtax must be levied
58 as set forth in subsection (3). The ordinance shall be proposed
59 at a regular meeting of the governing authority at least 2 weeks
60 prior to formal adoption. Formal adoption is not effective
61 unless approved on final vote by a majority of the total
62 membership of the governing authority. The ordinance may not
63 take effect until 90 days after formal adoption.

64 (3) The county shall levy the discretionary surtax as
65 follows:

66 (a) One dollar per permit for building-related permits
67 that are less than \$11.

68 (b) Two dollars per permit for building-related permits
69 that are \$11 to \$99.99.

70 (c) Five dollars per permit for building-related permits
71 that are \$100 to \$499.99.

72 (d) Twenty-five dollars per permit for building-related
73 permits that are \$500 to \$999.99.

74 (e) Fifty dollars per permit for building-related permits
75 that are \$1,000 or more.

76 (4) The county shall deposit 90 percent of the revenues
77 from the discretionary surtax in the Low and Moderate Income
78 Insurance Assistance Fund of the county. Ten percent of the
79 revenues may be used for administrative costs. Any interest
80 earned from the fund must remain in the fund. The county shall
81 use the revenues in the fund only to offer low-income and
82 moderate-income families financial assistance with their
83 homeowners' insurance premium payments on their homestead
84 property, to pay necessary costs of collection and enforcement

86 required pursuant to federal law for the Low-Income and
87 Moderate-Income Homeowners' Insurance Premium Assistance Pilot
88 Program. The proceeds of the surtax may not be used for rent
89 subsidies or grants.

90 Section 2. Effective July 1, 2010, the Low-Income and
91 Moderate-Income Homeowners' Insurance Premium Assistance Pilot
92 Program may be adopted only by the governing authority of a
