The Committee on Health Regulation (Altman) recommended the following:

**Senate Amendment (with title amendment)**

After line 274  
insert:  
Community behavioral health agencies enrolled in the provider network of a managed care plan that failed to meet the 80 percent spending requirement must submit encounter data information on all claims not paid by the health plan for the fiscal year in which the 80 percent requirement was not met and appropriate documentation demonstrating the medical necessity for the services provided. The encounter data shall be the basis for the fee-for-service reimbursement to the agencies.
