I. Summary:

This bill requires the Department of Highway Safety and Motor Vehicles (DHSMV), to include a check-off for a voluntary contribution to the Florida Network of Children’s Advocacy Centers, Inc., on each application and renewal form for motor vehicle registration. The Florida Network of Children’s Advocacy Centers, Inc., a not-for-profit organization, has completed the statutory requirements, authorizing it to seek Legislative enactment of the voluntary contribution check-off.

The Revenue Estimating Conference has determined that the bill has an insignificant revenue impact.

This bill substantially amends s. 320.02, F.S.

II. Present Situation:

During the 1998 Session, the Legislature created s. 320.023, F.S., which outlines the procedures which an organization must follow prior to seeking Legislative authorization to request the creation of a new voluntary contribution fee and establish a corresponding voluntary check-off on a motor vehicle registration application. The check-off allows a registered owner or registrant of a motor vehicle to voluntarily contribute to one or more of the authorized organizations during a motor vehicle registration transaction. Before the organization is eligible to be listed on the form, it must submit the following required items to DHSMV at least 90 days before the convening of the Regular Session of the Legislature:

- A request for the particular voluntary contribution being sought, describing it in general terms.
- An application fee of up to \$10,000 to defray DHSMV's costs for reviewing the application and developing the check-off, if authorized. State funds may not be used to pay the application fee.
- A short and long-term marketing strategy and a financial analysis outlining the anticipated revenues and the planned expenditure of the revenue to be derived from the voluntary contributions.

DHSMV must discontinue the check-off if less than \$25,000 has been contributed by the end of the fifth year, or if less than \$25,000 is contributed during any subsequent five-year period.

Section 328.72(11), F.S., requires that vessel registration and renewal application forms include a provision allowing for a voluntary contribution of \$2 or \$5 to

These contributions are not subject to the trust fund service charge imposed by s. 215.20, F.S., with the exception of the organ and tissue donor trust fund.²

The mission of the Florida Network of Children's Advocacy Centers, Inc. (FNCAC), is to improve Florida's response to child abuse by supporting the development, growth, and continuation of Child Advocacy Centers. The FNCAC is a membership organization dedicated to helping local communities respond to allegations of child abuse in ways that are effective and efficient and put the needs of child victims first. The FNCAC provides training, support, technical assistance and leadership on a statewide level to local child advocacy centers and communities throughout Florida as they respond to reports of child abuse and neglect.

III. Effect of Proposed Changes:

This bill amends s. 320.02, F.S., to include a voluntary contribution check-off option of \$1 on motor vehicle registration and renewal forms to Florida Network of Children's Advocacy Centers, Inc., a not-for-profit organization. The DHSMV will receive and transfer voluntary contributions quarterly to FNCAC. The FNCAC may retain a maximum of 50% of the revenues to support the activities of the Network and must distribute the remainder equitably among the Network members, as determined by the board of directors of the Network. Contributions are not income of a revenue nature for purposes of applying the service charge imposed by s. 215.20, F.S. According to DHSMV, FNCAC has met the requirements set forth in 320.023, F.S.
