- 1. In addition to any services provided through aftercare support or the Road-to-Independence Program, a young adult formerly in foster care may receive other appropriate short-term funding and services, which may include financial, housing, counseling, employment, education, mental health, disability, and other services, if the young adult demonstrates that the services are critical to the young adult's own efforts to achieve self-sufficiency and to develop a personal support system. The young adult must have specific tasks to complete or maintain included in the plan and be accountable for the completion of or making progress towards the completion of these tasks. If the young adult and the department or communitybased care provider cannot come to agreement regarding any part of the plan, the young adult may access a grievance process to its full extent in an effort to resolve the disagreement.
- 2. A young adult formerly in foster care is eligible to apply for transitional support services if he or she has reached 18 years of age but is not yet 23 years of age, was a dependent child pursuant to chapter 39, was living in licensed foster care or in subsidized independent living at the time of his or her 18th birthday, and had spent at least 6 months living in foster care before that date.

3. If at any time the services are no longer critical to the young adult's own efforts to achieve self-sufficiency and to develop a personal support system, they shall be terminated.

- (d) Payment of aftercare, Road-to-Independence Program, or transitional support funds.—
- 1. Payment of aftercare, Road-to-Independence Program, or transitional support funds shall be made directly to the recipient unless the recipient requests in writing to the community-based care lead agency, or the department, that the payments or a portion of the payments be made directly on the recipient's behalf in order to secure services such as housing, counseling, education, or employment training as part of the young adult's own efforts to achieve self-sufficiency.
- 2. After the completion of aftercare support services that satisfy the requirements of sub-subparagraph (a)1.h., payment of awards under the Road-to-Independence Program shall be made by direct deposit to the recipient, unless the recipient requests in writing to the community-based care lead agency or the department that:
- a. The payments be made directly to the recipient by check or warrant;
- b. The payments or a portion of the payments be made directly on the recipient's behalf to institutions the recipient is attending to maintain eligibility under this section; or

Page 14 of 18

educational, job, or training expenses; and costs incurred, except legal costs, fines, or penalties, when applying for or executing a rental agreement for the purposes of securing a home or residence.

- 3. The community-based care lead agency may purchase housing, transportation, or employment services to ensure the availability and affordability of specific transitional services thereby allowing an eligible young adult to utilize these services in lieu of receiving a direct payment. Prior to purchasing such services, the community-based care lead agency must have a plan approved by the department describing the services to be purchased, the rationale for purchasing the services, and a specific range of expenses for each service that is less than the cost of purchasing the service by an individual young adult. The plan must include a description of the transition of a young adult using these services into independence and a timeframe for achievement of independence. An eligible young adult who prefers a direct payment shall receive such payment. The plan must be reviewed annually and evaluated for cost-efficiency and for effectiveness in assisting young adults in achieving independence, preventing homelessness among young adults, and enabling young adults to earn a livable wage in a permanent employment situation.
- 4. The young adult who resides with a foster family may not be included as a child in calculating any licensing restriction on the number of children in the foster home.
 - (e) Appeals process.—
