Senator Constantine moved the following:

Senate Amendment

Delete lines 3502 - 3508
and insert:

(7) LAND APPLICATION OF SEPTAGE.—By October 1, 2010, the department, in consultation with the Department of Environmental Protection, shall initiate rulemaking to establish enhanced treatment levels for the land application of septage from onsite sewage and disposal systems. The rule shall include, but is not limited to, a schedule for the reduction in land application, alternative methods of disposal, enhanced application site permitting process, application site nutrient management plans, and appropriate treatment levels.
