Delete lines 272 - 291

and insert:

(3) Each state agency, K-12 public school, public institution of higher learning, community college, and state university, including all buildings that are occupied by municipal, county, or state employees and entities occupying buildings managed by the Department of Management Services, must, at a minimum, annually report all recycled materials to the county using the department's designated reporting format. Private businesses, other than certified recovered materials dealers, that recycle paper, metals, glass, plastics, textiles,

14 rubber materials, and mulch, are encouraged to report the amount  
15 of materials they recycle to the county annually beginning  
16 January 1, 2011, using the department's designated reporting  
17 format. Using the information provided, the department shall  
18 recognize those private businesses that demonstrate outstanding  
19 recycling efforts. Private businesses that do not report  
20 recycling rates to the department shall be recorded as having a  
21 zero percent recycling rate. Notwithstanding any other provision  
22 of state or county law, private businesses, other than certified  
23 recovered materials dealers, shall not be required to report  
24 recycling rates. Cities with less than a population of 2,500 and  
25 per capita taxable value less than \$4,800 and cities with a per  
26 capita taxable value less than \$30,000 are exempt from the  
27 reporting requirement specified in this paragraph.
