The Committee on General Government Appropriations (Baker) recommended the following:

Senate Amendment

Delete lines 667 - 677
and insert:

(b) The department shall not require liners and leachate collection systems at individual facilities unless it demonstrates, based upon the types of waste received, the methods for controlling types of waste disposed of, the proximity of groundwater and surface water, and the results of the hydrogeological and geotechnical investigations, that the facility is reasonably expected to result in violations of groundwater standards and criteria otherwise.
