FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

The bill amends section 320.02, F.S., to require motor vehicle applications and renewals to include a voluntary \$1 contribution to Florida Network of Children's Advocacy Centers, Inc. (FNCAC), to support the network and its members. According to FNCAC's website, it is "a membership organization dedicated to helping local communities respond to allegations of child abuse in ways that are effective and efficient... The FNCAC provides training, support, technical assistance, and leadership on a statewide level to local children's and child advocacy centers and communities throughout Florida responding to reports of child abuse and neglect."¹ The bill provides that FNCAC may keep up to 50 percent of the contributions collected for its own functions, and shall equitably distribute the remaining contributions to advocacy centers and communities that are members of FNCAC.

DHSMV has provided notice that FNCAC has complied with s. 322.081, F.S., regarding requests to establish a voluntary check-off, by submitting its letter of request, \$10,000 application fee, and approved short- and long-term marketing plans.

About Motor Vehicle Registration Check-offs

During the 1998 Session, the Legislature created s. 320.023, F.S., which outlines the procedures which an organization must follow prior to seeking Legislative authorization to request the creation of a new voluntary contribution fee and establish a corresponding voluntary check-off on a motor vehicle registration application. The check-off allows a registered owner or registrant of a motor vehicle to voluntarily contribute to one or more of the authorized organizations during a motor vehicle registration transaction. Before the organization is eligible, it must submit the following requirements to DHSMV at least 90 days before the convening of the Regular Session of the Legislature:

- A request for the particular voluntary contribution being sought, describing it in general terms.
- An application fee of up to \$10,000 to defray DHSMV's costs for reviewing the application and developing the check-off, if authorized. State funds may not be used to pay the application fee.
- A short and long-term marketing strategy and a financial analysis outlining the anticipated revenues and the planned expenditures of the revenues to be derived from the voluntary contributions.

DHSMV must discontinue the check-off if less than \$25,000 has been contributed by the end of the fifth year, or if less than \$25,000 is contributed during any subsequent five-year period.
