The Committee on Children, Families, and Elder Affairs (Storms) recommended the following:

Senate Amendment

Delete lines 1159 - 1167
and insert:
filed with the court, the court may modify the support order
after an evidentiary hearing.

(e) If a support order does not provide for payment of
noncovered medical expenses or require health insurance for the
minor child and it is accessible to the child and available at
reasonable cost, the department shall seek to have the order
modified and any modification shall be made after an evidentiary
hearing.
