At the end of existing proviso language, following Specific Appropriation 120, INSERT:

The Department of Education shall develop and implement appropriate processes to ensure that all scanning and/or scoring activities sponsored by the department for the Florida Comprehensive Assessment Test (FCAT) be performed by Florida based providers unless there is evidence that such services can only be performed by a non-Florida based provider.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
