Following Specific Appropriation 123, INSERT:

From the funds provided in Specific Appropriation 123, the department shall contract with an entity located outside of the state of Florida at a maximum cost of \$100,000 to study the Florida Education Finance Program. The study shall review the current funding distribution formula for the sole purpose of recommending any improvements to the existing formula that would better reflect the varying characteristics of each of the 67 school districts and their respective overall student populations, assessing the equity of the current formula in this regard. The department shall submit the results of the study to the President of the Senate and the Speaker of the House of Representatives and the Executive Office of the Governor no later than January 1, 2011.
