

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Mayfield offered the following:

**Amendment to Amendment (555489) (with title amendment)**

Between lines 512 and 513, insert:

Section 10. Study of municipal electric utility retail rates.-

(1) The Florida Public Service Commission shall conduct a study of the differential between retail electric rates charged by each municipal electric utility to customers within the boundaries of the municipality operating the utility and customers outside the boundaries of the municipality. In its study, the commission shall examine:

(a) The basis for any rate differential.

(b) The percentage of the utility's retail customers receiving service within and outside the boundaries of the municipality.

Approved For Filing: 4/21/2010 4:24:57 PM

Amendment No.

- 17       (c) The governance structure of the utility.
- 18       (d) The portion of the utility's retail sales revenues  
19 that are transferred to the municipality's general revenue fund  
20 or are otherwise used for purposes other than electric utility  
21 investment and operations.
- 22       (e) The means by which customers receiving service outside  
23 the boundaries of the municipality may seek redress for, or  
24 provide input into, issues concerning the municipal electric  
25 utility's rates and service.
- 26       (2) The commission may request from each municipal  
27 electric utility all information and records necessary to  
28 conduct the study. The commission shall report its findings to  
29 the President of the Senate and the Speaker of the House of  
30 Representatives no later than January 2, 2011.

-----  
**T I T L E   A M E N D M E N T**

34       Remove line 564 and insert:  
35       Commission; requiring the Public Service Commission to  
36       conduct a study of rate differentials within municipal  
37       electric utilities; providing an effective date.
