Representative Fitzgerald offered the following:

Amendment

Between lines 767 and 768, insert:

If no provider service network submits a responsive bid, the agency shall procure no more than one less than the maximum number of qualified plans permitted in that region. Within 12 months after the initial invitation to negotiate, the agency shall attempt to procure a qualified plan that is a provider service network. The agency shall notice another invitation to negotiate only with provider service networks in such region where no provider service network has been selected.
