3 **Amendment**

4 Remove lines 814-818 and insert:

5 (c) Plans that spend more than 92 percent of Medicaid
6 premium revenue shall be evaluated by the agency to determine
7 whether higher expenditures are the result of failures in care
8 management.

9 (d) Plans that spend 95 percent or more of Medicaid
10 premium revenue and are determined to be failing to
11 appropriately manage care shall be excluded from automatic
12 enrollments.
