Bill No. HB 7225 (2010)

Amendment No.

The rates for plans owned and operated by a public hospital shall be risk-adjusted immediately. In order to meet the requirements of budget neutrality, and until such time as all rates in the county are risk-adjusted, the rate differential is contingent on the nonfederal share being provided through grants and donations from allowable nonstate sources. The agency shall submit an amendment to the Legislative Budget Commission requesting authority for such payments.
