

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Williams, T. offered the following:

Amendment to Substitute Amendment (933003) (with title amendment)

Remove line 297 and insert:

(6) In order to further promote renewable energy, any expansion of an existing renewable energy electric generating facility, subject to a total of up to 200 net megawatts statewide, for which a site certification application is filed before January 1, 2011, and which is owned by a local government entity, does not require a determination of need pursuant to s. 403.519.

(7) The commission may adopt rules to administer and
