14 legislative district boundaries or plans, the state shall apply
15 federal requirements and balance and implement the standards in
16 the State Constitution. The state shall take into consideration
17 the ability of racial and language minorities to participate in
18 the political process and elect candidates of their choice, and
19 communities of common interest other than political parties may
20 be respected and promoted, both without subordination to any
21 other provision of Article III of the State Constitution.
22 Districts and plans are valid if they are consistent with
23 federal law and other provisions of the State Constitution.
