## 1 House Concurrent Resolution

2 A concurrent resolution directing the Office of Program  
3 Policy Analysis and Government Accountability to conduct a  
4 comprehensive study to determine the feasibility of  
5 installing solar panels on all state-owned buildings;  
6 requiring a report to the Legislature.

7  
8 Be It Resolved by the House of Representatives of the State of  
9 Florida, the Senate Concurring:

10  
11 That the Office of Program Policy Analysis and Government  
12 Accountability shall:

13 (1) Conduct a comprehensive study to determine the  
14 feasibility of installing solar panels on all state-owned  
15 buildings when constructing new buildings or when repairing or  
16 replacing the roofs of existing buildings. The study shall  
17 include:

18 (a) A summary of available photovoltaic technologies that  
19 are suitable for installation on the roofs of buildings.

20 (b) The structural requirements for successful  
21 installation and use of photovoltaic technology.

22 (c) The projected cost of installation and maintenance of  
23 the technology and the estimated savings from use of the  
24 technology to offset the purchase of electricity.

25 (2) Report the findings of the study to the President of  
26 the Senate and the Speaker of the House of Representatives by  
27 March 1, 2011.
