1 Representative Corcoran offered the following:

2
3 **Amendment to Amendment (162081) (with title amendment)**

4 Between lines 3274 and 3275, insert:

5 Section 124. Subsections (5), (6), and (7) are added to
6 section 316.0083, Florida Statutes, to read:

7 316.0083 Mark Wandall Traffic Safety Program;
8 administration; report.-

9 (5) Prior to installing a traffic infraction detector, the
10 department, a county, or a municipality must request that the
11 Department of Transportation perform a safety hazard study for
12 the intersection. The department, a county, or a municipality
13 shall be responsible for the cost of the study. A traffic
14 infraction detector may not be installed until the Department of
15 Transportation has performed the study and determined that the
16 intersection warrants a traffic infraction detector.

Amendment No.

17 (6) A safety hazard study required under this section
 18 shall evaluate the safety of an intersection within a 6-month
 19 period. A safety hazard exists if, at the end of the study
 20 period, the Department of Transportation identifies a
 21 statistically disproportionate number of motor vehicle crashes
 22 at the intersection, greater than that of similarly situated
 23 intersections in the county or municipality.

24 (7) Notwithstanding subsection (1), the department, a
 25 county, or a municipality may not use a traffic infraction
 26 detector to enforce a violation of s. 316.075(1)(c)1. when a
 27 driver is making a right turn or when a driver is making a left
 28 turn from a one-way street onto a one-way street.
