Senator Latvala moved the following:

1 **Senate Amendment to House Amendment (376895) (with title**
2 **amendment)**

3
4 Delete lines 3356 - 3379

5 and insert:

6 Section 124. The Department of Transportation is directed to
7 conduct a study regarding the efficacy of traffic infraction
8 detectors in increasing safety and reducing crashes at
9 intersections monitored by such devices. The study must include,
10 but is not limited to, analysis of crash and injury rates for
11 intersection approaches before and after the installation of
12 traffic infraction detectors and the types of violations
13 recorded at the intersection. The report must specifically

311960

14 include information on the methodology and decision-process used
15 to determine whether a violation has taken place, including
16 violations of ss. 316.075(1)(c)1.a. and b. The report must be
17 presented to the President of the Senate and the Speaker of the
18 House of Representatives by December 1, 2011.
