Senator Braynon moved the following:

Senate Amendment (with title amendment)

Between lines 1841 and 1842

insert:

Section 39. Section 320.08051, Florida Statutes, is created to read:

320.08051 Specialty license plates.-

(1) Notwithstanding any provisions of law to the contrary, any application for a specialty license plate shall be deemed approved if the application has:

(a) Been determined by the Auditor General to be an exception to the specialty license plate moratorium established by the provisions of s. 45 of chapter 2008-176, Laws of Florida;

507054

14 (b) Complied with all requirements under s. 320.08053; and
15 (c) Been considered affirmatively by a legislative
16 committee and at least one chamber of the Legislature prior to
17 December 31, 2010.

18 (2) Once approved, the organization must submit to the
19 department the proposed art design for the specialty license
20 plate, in a medium prescribed by the department, together with a
21 planned distribution of proceeds, as soon as practicable, but no
22 later than September 1, 2011.

23 (3) The department shall begin production of any specialty
24 license plate deemed approved under this section within 1 year
25 after July 1, 2011.

26 (4) The license plate annual use fee is \$25, which shall be
27 distributed to the organization sponsoring the application for
28 the specialty license plate. The sponsoring organization may not
29 use more than 10 percent of the proceeds for marketing and
30 administration.

31 (5) All other requirements pertaining to specialty license
32 plates contained in ss. 320.08056 and 320.08058 apply to the
33 specialty license plates approved pursuant to this section.

34
35 ===== T I T L E A M E N D M E N T =====

36 And the title is amended as follows:

37 Between lines 141 and 142

38 insert:

39 creating s. 320.08051, F.S.; providing for the
40 approval of certain specialty license plate
41 applications; providing conditions; requiring the
42 organization to submit certain information to the

43 department for the specialty plate; requiring the
44 department to begin production of any approved
45 specialty plate within a certain time; providing for a
46 fee; requiring compliance with all other provisions
47 relating to specialty plates;
