---

The Committee on Governmental Oversight and Accountability  
(Flores) recommended the following:

**Senate Amendment (with title amendment)**

Between lines 2121 and 2122  
insert:  
Section 53. Section 322.145, Florida Statutes, is created  
to read:

322.145 Electronic authentication of licenses.-

(1) All driver's licenses issued on or after July 1, 2012,  
must contain a means of electronic authentication, which  
conforms to a recognized standard for such authentication, such  
as public key infrastructure, symmetric key algorithms, security  
tokens, mediametrics, or biometrics.

528984

13           (2) The department provide, at the applicant's option and  
14 at the time a license is issued, a security token that can be  
15 electronically authenticated through a personal computer. The  
16 token must also conform to one of the standards in subsection  
17 (1).

18           (3) The department shall negotiate a contract with the  
19 vendor selected to implement the electronic authentication  
20 feature which provides that the vendor pay all costs of  
21 implementing the system.

22  
23 ===== T I T L E   A M E N D M E N T =====

24 And the title is amended as follows:

25           Delete line 188

26 and insert:

27           department; creating s. 322.145, F.S.; requiring the  
28           Department of Highway Safety and Motor Vehicles to  
29           implement a system providing for the electronic  
30           authentication of driver's licenses; requiring that  
31           the department contract for implementation of the  
32           electronic verification; amending s. 322.20, F.S.,  
33           relating to
