

Amendment No.

CHAMBER ACTION

Senate

House

.

1 Representative Fresen offered the following:

2
3 **Amendment to Amendment (752267) (with title amendment)**

4 Remove lines 3266-3274 and insert:

5 Section 123. Section 322.145, Florida Statutes, is created
6 to read:

7 322.145 Electronic authentication of licenses.-

8 (1) Any driver's license issued on or after July 1, 2012,
9 must contain a means of electronic authentication, which
10 conforms to a recognized standard for such authentication, such
11 as public key infrastructure, symmetric key algorithms, security
12 tokens, mediametrics, or biometrics. Electronic authentication
13 capabilities must not interfere with or change the driver's
14 license format or topology.

15 (2) The department shall provide, at the applicant's
16 option and at the time a license is issued, a security token

Approved For Filing: 5/4/2011 8:23:17 AM

Amendment No.

17 that can be electronically authenticated through a personal
18 computer. The token must also conform to one of the standards
19 provided subsection (1).

20 (3) The department shall negotiate a new contract with the
21 vendor selected to implement the electronic authentication
22 feature which provides that the vendor pay all costs of
23 implementing the system. This contract must not conflict with
24 current contractual arrangements for the issuance of driver's
25 licenses.
