

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Clemens offered the following:

Amendment (with title amendment)

Between lines 276 and 277, insert:

Section 9. All external government expenses, including, but not limited to, health insurance, worker's compensation insurance, building materials, contracting, and utility expenses, of any government entity in this state assessing an ad valorem tax may not be increased in an amount in excess of 3 percent per year.

T I T L E A M E N D M E N T

Remove line 29 and insert:

Amendment No.

15 | the distribution of such an appropriation; limiting increases in
16 | certain expenses of governmental entities assessing ad valorem
17 | taxes; providing for
