

Amendment No.

CHAMBER ACTION

Senate

House

.

1 Representatives Adkins and Proctor offered the following:

2
3 **Amendment to Amendment (287776) (with title amendment)**

4 Remove lines 1520-1552 and insert:

5 (f) By September 1, 2011 ~~2009~~, the department shall
6 approve and a district may select acceptable premethods and
7 postmethods for measuring student learning gains, including
8 standardized assessments, diagnostic assessments, criterion-
9 referenced and skills-based assessments, or other applicable
10 methods appropriate for each grade level, for use by
11 supplemental educational services providers and local school
12 districts in determining student learning gains. Each method
13 must be able to measure student progress toward mastering the
14 benchmarks or access points set forth in the Sunshine State
15 Standards and the student's supplemental educational services
16 plan. The use of a diagnostic and assessment instrument, which

Approved For Filing: 5/6/2011 3:00:14 PM

Amendment No.

17 is aligned to a provider's curriculum, is an acceptable
18 premethod and postmethod if the provider can demonstrate that
19 the assessment meets the requirements in this paragraph and is
20 not deemed unreliable or invalid by the department.
