5 and insert:

6           Section 6. Subsection (3) of section 316.075, Florida  
7 Statutes, is amended to read:

8           316.075 Traffic control signal devices.—

9           (3) (a) No traffic control signal device shall be used which  
10 does not exhibit a yellow or "caution" light between the green  
11 or "go" signal and the red or "stop" signal.

12           (b) No traffic control signal device shall display other  
13 than the color red at the top of the vertical signal, nor shall

14 it display other than the color red at the extreme left of the  
15 horizontal signal.

16 (c) The Department of Transportation shall establish  
17 minimum yellow light change interval times for traffic control  
18 devices. The minimum yellow light change interval time shall be  
19 established in accordance with nationally recognized engineering  
20 standards set forth in the Institute of Transportation Engineers  
21 Traffic Engineering Handbook, and any such established time may  
22 not be less than the recognized national standard.

23 Section 7. Present subsections (3) and (4) of section  
24 316.0083, Florida Statutes, are renumbered as subsections (4)  
25 and (5), respectively, and a new subsection (3) is added to that  
26 section, to read:

27 316.0083 Mark Wandall Traffic Safety Program;  
28 administration; report.-

29 (3) An affirmation indicating compliance with s. 316.075(3)  
30 must accompany the notice of violation and a traffic citation.  
31 Such affirmation is admissible in any proceeding to enforce this  
32 section and raises a rebuttable presumption that the traffic  
33 control signal device meets the requirements of s. 316.075(3).
