The Committee on Judiciary (Flores) recommended the following:

Senate Amendment

Delete lines 189 - 192

and insert:

(10) Upon conclusion of all hearings and proceedings, and upon consideration of all evidence presented, the court shall render a final judgment approving or denying the proposed transaction and shall order the governing board to accept or reject the proposal for the sale or lease of the county, district, or municipal hospital. In reaching its final judgment, the court shall determine whether:
