The Committee on Health Regulation (Garcia) recommended the following:

Senate Amendment

Delete lines 799 - 805
and insert:

(6) In order to determine whether the facility is adequately protecting residents' rights as provided in s. 429.28, the agency's standard license survey shall include private informal conversations with a sample of residents and consultation with the ombudsman council in the planning and service area in which the facility is located to discuss residents' experiences within the facility.
