	.	
	.	
	.	

The Committee on Community Affairs (Bennett) recommended the following:

Senate Amendment to Amendment (285126)

Delete lines 307 - 320
and insert:
development's list of significantly and adversely impacted road segments and from the proportionate-share calculation. The identified improvement to correct the transportation deficiency is the funding responsibility of the effected state or local government. The proportionate-share formula provided in this paragraph shall be applied to those facilities that are not deficient but are determined to be significantly and adversely impacted by the project under review. If additional improvements
