Senate Memorial

A memorial to the Congress of the United States, urging Congress to support repeal of Section 511 of the Tax Increase Prevention and Reconciliation Act, which requires governments that annually spend more than \$100 million to withhold a 3 percent federal tax on payments made for certain goods and services.

WHEREAS, state purchasing officials serve the public interest and are charged with maximizing the value of every tax dollar expended, and

WHEREAS, the unfunded mandate in Section 511 of Pub. L. No. 109-222, 25 U.S.C. 342(t) will result in additional expenditures of human and budgetary capital to achieve agency compliance and will dilute the value of taxpayer funds, and

WHEREAS, increases in operating costs will result in significant reductions of support for critical services to the public in this state, and

WHEREAS, requiring a 3 percent withholding places an enormous burden on state and local governments and is extremely detrimental to the small businesses that are the backbone of this state's economy, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Congress of the United States is urged to repeal the unfunded mandate in Section 511 of Pub. L. No. 109-222, 25 U.S.C. 342(t) and support the repeal of this requirement in H.R. 275 and S.R. 292.
