Senator Evers moved the following:

Senate Amendment (with title amendment)

Delete lines 69 - 76
and insert:

(a) It is the intent of the Legislature that proper management of onsite sewage treatment and disposal systems is paramount to the health, safety, and welfare of the public. ~~It is further the intent of the Legislature that the department shall administer an evaluation program to ensure the operational condition of the system and identify any failure with the system.~~

(b) It is the intent of the Legislature that where a
