notifies the Secretary of State by letter of the repeal. A
county identified as having a first magnitude spring within its
boundaries is prohibited from opting out of this section, but
the county may apply its ordinance within all or part of its
geographic area. This section sets forth the uniform procedure
for local governments to follow in establishing an onsite sewage
treatment and disposal system evaluation and assessment program.
Except as otherwise provided in this section, a local ordinance
may not deviate from or exceed the substantive requirements of

14 the evaluation and assessment program as provided in this
15 section. This section does not derogate or limit county and
16 municipal home rule authority to act outside the scope of this
17 program and does not repeal or affect any other law that may
18 relate to the subject matter in this section. This section does
19 not prohibit counties and municipalities from enforcing existing
20 ordinances or adopting new ordinances relating to onsite sewage
21 treatment facilities to address public health and safety or from
22 adopting local environmental and pollution abatement measures
23 for water quality improvement consistent with and provided for
24 by law if such ordinances do not alter the prescriptive
25 requirements or limitations within the evaluation and assessment
26 program as provided in this section. This subsection is not
27 intended to alter the ability of a local government to exercise
28 its independent and existing authority to meet the requirements
29 of s. 381.00655. The evaluation and assessment program ordinance
30 shall provide the following:
