Senator Diaz de la Portilla moved the following:

**Senate Amendment (with title amendment)**

Between lines 54 and 55

insert:

Section 5. The Department of Environmental Protection may not issue any permit for a new Class I landfill that will be located:

(1) Within 5 miles of the Withlacoochee River and that will be located within the Northern Tampa Bay Water Use Caution Area designated by rule by the Southwest Florida Water Management District; or

(2) Within the Withlacoochee River watershed in Lake

253234

13 County.

14

15 ===== T I T L E A M E N D M E N T =====

16 And the title is amended as follows:

17       Delete line 7

18 and insert:

19       made by the act; prohibiting the Department of  
20       Environmental Protection from issuing a Class I  
21       landfill permit to be located in certain specified  
22       areas; providing an effective date.
