Senator Rich moved the following:

**Senate Amendment**

Delete lines 1136 - 1140

and insert:

(a) Purpose.—This program is designed for young adults who are 18 years of age but are not yet 23 years of age, have graduated from high school, have been accepted into a college, a Florida College System instruction, or a vocational school, and need minimal support from the state other than the financial resources to attend college.
