The Committee on Health Regulation (Fasano) recommended the following:

Senate Amendment

Delete line 3637
and insert:
solvency requirements of s. 624.408 or s. 641.225. During the first 4 years of operation, community care for the elderly lead agencies that are operating as specialty plans providing long-term care services may phase in their compliance with the solvency requirements of s. 409.912(17) and (18) by 25 percent each year.
