(1) The agency shall develop a methodology and request a waiver that ensures the availability of intergovernmental transfers in the Medicaid managed care program to support providers that have historically served Medicaid recipients. Such providers include, but are not limited to, safety net providers, trauma hospitals, children's hospitals, and statutory teaching hospitals. The agency may develop a supplemental capitation rate, risk pool, or incentive payment for plans that contract with these providers. A plan is eligible for a

14 supplemental payment only if there are sufficient
15 intergovernmental transfers available from allowable sources.
