1                   A bill to be entitled  
2           An act relating to specialty license plates; amending  
3           ss. 320.08056 and 320.08058, F.S.; creating the Go  
4           Green license plate; establishing an annual use fee  
5           for the plate and providing for the distribution of  
6           use fees received from the sale of the plate;  
7           providing an effective date.

8  
9   Be It Enacted by the Legislature of the State of Florida:

10  
11           Section 1. Paragraph (aaaa) is added to subsection (4) of  
12           section 320.08056, Florida Statutes, to read:

13           320.08056 Specialty license plates.—

14           (4) The following license plate annual use fees shall be  
15           collected for the appropriate specialty license plates:

16           (aaaa) Go Green license plate, \$25.

17           Section 2. Subsection (79) is added to section 320.08058,  
18           Florida Statutes, to read:

19           320.08058 Specialty license plates.—

20           (79) GO GREEN LICENSE PLATES.—

21           (a) The department shall develop a Go Green license plate  
22           as provided in this section. The plate must bear the colors and  
23           design approved by the department. The word "Florida" must  
24           appear at the top of the plate, and the words "Go Green" must  
25           appear at the bottom of the plate.

26           (b) The annual use fees shall be distributed to the  
27           Coalition for Renewable Energy Solutions, Inc., which shall  
28           retain the initial revenues from the sales of such plates until  
29           all startup costs incurred in the development and approval of

30 the plates have been reimbursed. Thereafter, the proceeds shall  
31 be used by the coalition as follows:

32 1. A maximum of 10 percent of the proceeds may be used to  
33 fund the administrative and marketing costs of the license plate  
34 program.

35 2. The remaining fees shall be used to fund programs and  
36 projects that educate the public and implement or publicize  
37 renewable energy solutions.

38 Section 3. This act shall take effect July 1, 2011.
