Senator Negron moved the following:

1 **Senate Amendment to Amendment (316406) (with title**
2 **amendment)**

3
4 Delete line 1166

5 and insert:

6 When an elector presents his or her picture identification to
7 the clerk or inspector and the elector's address on the picture
8 identification matches the elector's address in the supervisor's
9 records, the elector may not be asked to provide additional
10 information or to recite his or her home address. If the picture
11 identification does not contain the signature of
