The Conference Committee Amendment for SB 2106, relating to the Florida Energy and Climate Commission, provides for the following:

- Provides for a type two transfer of the Florida Energy and Climate Commission within the Governor's Office to the Department of Agriculture and Consumer Services;
- Abolishes the Commission and transfers the majority of the Commission's duties to the Department of Agriculture and Consumer Services;
- Transfers the duties of petroleum allocation from the Commission to the Division of Emergency Management;
- Transfers energy emergency contingency plans to the Division of Emergency Management;
- Requires the Department of Management Services to coordinate the energy conservation programs of all state agencies; and
- Transfers administration of the Coastal Energy Impact Program to the Department of Environmental Protection.
