**I. Summary:**

The bill requires the voter information card prescribed in statute and furnished by the supervisor of elections to include the address of the polling place. It provides that if an elector's polling place address changes, the supervisor must send the elector a new voter information card. The bill also specifies that the supervisor must provide a voter information card meeting the requirements of this act for any elector who, on or after September 1, 2011, registers to vote, requests a replacement card, or changes their name, address, or party affiliation.

This bill substantially amends section 97.071, Florida Statutes.

**II. Present Situation:**

Currently, every supervisor of elections must furnish a voter information card to every registered voter in the supervisor's county. The card must contain the following information:

- Voter's registration number;
- Date of registration;
- Full name;
- Party affiliation;
- Date of birth;
- Address of legal residence;
- Precinct number;
- Supervisor's name and contact information; and

- Any other information deemed necessary by the supervisor.<sup>1</sup>

Replacement cards are provided free of charge upon verification of the voter's registration, if the voter provides a signed written request for a replacement card.<sup>2</sup> The uniform statewide voter registration application may also be used to request a replacement card.<sup>3</sup> New cards are automatically issued when a voter's name, address, or party affiliation changes.<sup>4</sup>

A survey in 2010<sup>5</sup> indicated that 61 counties include the polling place address on the voter information card. The following six counties did not include the polling place address on the voter information card: Glades, Jefferson, Madison, Orange<sup>6</sup>, Taylor and Volusia.

### III. Effect of Proposed Changes:

The bill requires the voter information card to include an elector's polling place address. It also provides that when an elector's polling place address changes, the supervisor must send a new card to the elector. The bill also specifies that the supervisor must provide a voter information card meeting the requirements of this act for any elector who, on or after September 1, 2011, registers to vote, requests a replacement card, or changes their name, address, or party affiliation.

This bill shall take effect July 1, 2011.

<sup>6</sup> While Orange County does not print the polling place address on the voter information cards, the polling place address is provided on the sample ballots that are mailed out prior to each election. The Orange County Supervisor of Elections office has explained that the office provides the polling place address on the sample ballot instead of the voter information card as the polling place varies for municipal elections and general elections. *See id.*
